Dear Honorable Amy J. St. Eve,

I am writing you in regard to the case captioned above and I do not have any means to allow the defendants a copy. I was beaten on 8/6/08 by C/O Henderson, C/O Beckwith which is a defendant, along with other officers. I didn't receive any medical attention for my injured back, head or neck. However, a nurse named Mr. Barnes, did come to my cell and witness the scars and bruises on my body and he said that he would disclose that information to the Doctor.

My cellmate, Joseph Calamia K78225 was also beaten by C/O Henderson before my incident on the 7 to 3 shift. We both were seen by nurse Barnes. We both were walked to segregation and received falsified tickets from several officers. Nurse Heather, has purposely left a note in the nurses station that I have ~~permanently~~ permanently refused my hypertension medication, this is after she has told me that I was burned up over a week and a half ago. I have been without soap and deodorant since I've been here, and mine has mysteriously gone for missing out of my property, for the second time. I request for injunction which is outlined previously in this action, I honestly don't believe that the Public is against me being protected from physical illegal punishment. I could not appear in court because I was told on 8/7/08, that my court date in your court was unimportant and that the judge would simply reschedule.

Turn Over

When visiting or corresponding with an offender, you are required to adhere to all departmental and facility rules. You may obtain a copy of these rules from the facility's Visitors' Center, on line at www.doc.state.il.us or by writing Stateville Correctional Center, P.O. Box 112, Joliet, IL 60434, Attention: Audit Office (please include a stamped, self-addressed envelope).

Normally when an individual has two Court dates on the same day, 1 by phone, the other via physical appearance, the institution would use vans to transport offenders to Court either before or after the phone Court date. I also request that you tour the Stateville Correctional Center, I know you don't have to, but I would like for you to see this for your self. Please allow me an immediate Court date in these regards. Thank you for sending, and I could have simply avoided all of this, by getting a 1 day writ from Dixon, the Director has the authority to do so.

Sincerely,

Eric W. R32516
